Verse #1:

```

C                G
I, I m chasing a storm
C
And its raining on every town
G
From here to New York
C                G
And it takes my places that I ve never been before
C  N    Am7
Oh but I am not afraid
C                N                Am7
Of the things that might come my way
C    N                Am7
I just fold my hands and pray
```

Chorus:

```

G                C
Cos I am yours always forever
G                C
Take this heart and make it clean again
G                C                G
Where you lead me I will follow
C    N    Am7
```

Let your spirit down , down down
