

Great Wide Open  
Ruthie Collins

[Intro]

**Em C D Bm**

[Verse 1]

**Em C**

We rode in on a pink sunset

**D Bm**

I was walking into the perfect mess

**Em C**

When the cowboy and this angel met

**D Bm**

It was a recipe for disaster

**E C D**

I said do you want me tonight

**Bm Em C D**

And he said I do, for the rest of my life

[Chorus]

**Bm**

**Em**

That's love in the great wide open

**C**

Heart unfrozen

**D**

No way of knowing if it's real

**Bm Em**

When I'm this broken

**C**

Go on and hold me

**D Bm Em**

Cause I only fall in love in the great wide open

**C D Bm**

Ah ooo

[Verse 2]

**Em**

**C**

This smoldering summertime flew on by

**D Bm**

Laying out underneath that Gemini sky

**Em C**

I looked at him and the northern lights

**D Bm**

As he laid it all on the line

**Em C D**

And he said do you still want the rest of my life

**Bm Em C D**

And I said, I do for tonight

[Chorus]

**Bm** **Em**  
That's love in the great wide open  
**C**  
Heart unfrozen  
**D**  
No way of knowing if it's real  
**Bm** **Em**  
When I'm this broken  
**C**  
Go on and hold me  
**D** **Bm** **Em**  
Cause I only fall in love in the great wide open  
**C** **D** **Bm**  
Ah ooo

[Bridge]

**Em** **C** **D**  
Ah ooo

[Chorus]

**Bm** **Em**  
That's love in the great wide open  
**C**  
Heart unfrozen  
**D**  
No way of knowing if it's real  
**Bm** **Em**  
When I'm this broken  
**C**  
Go on and hold me  
**D** **Bm** **Em**  
Cause I only fall in love in the great wide open  
**C** **D**  
Ah ooo  
**Bm**  
That's love in the great wide open  
**C** **D** **Bm**  
Ah ooo  
**Bm**  
That's love

[Outro]

**Em** **C**  
We rode in on a pink sunset  
**D** **Bm**  
Took the horse and the gun, like a perfect mess  
**Em** **C**  
When the cowboy and this angel met  
**D** **Bm** **Em**  
It was a recipe for disaster
