VERSE: (guitar plays main riff)

Its a very small world in the middle of a crowd
The room gets dark when the music gets loud
Treble cuts thru when the rhythm takes the bite
But theres no room to move cause the floor is packed tight

PRE-CHORUS: BASS PLAYS RUN

```

D	E	F	F
A voice shouts loud we ll never surrender			
A voice in the crowd never surrender			
A hand in the crowds flying propaganda			
never surrender, we ll never surrender			

VERSE:

The skins in the corner are staring at the bar
The rude boys are dancing to some heavy heavy ska
Its getting so hot people dripping with sweat
The punks in the corner are speeding like a jet
