And if things are not going just right why don t you try a man like me tonight?

Last night while I was trying to sleep
I heard a racket from the room next door, hum
And that was you and your man havin a fight
Like you ve done so many nights before

Woman, I ll turn you every which way but loose Is what I heard him shout, uh-oh, look out! So I jumped out of the bed and I opened the door Just as you came runnin out

And I hollered: why don t you try me tonight? Why don t you try me? Why don t you try me tonight? Why don t you try me?

I ain t saying I m all that you need
And I won t tell you, honey, you will be free
But all night, well, I will keep trying
And when I say I want ya, girl, you know I m not lyin
You see a good woman out on the streets these days, friends
Ah, a bad old man can t be hard to find, no, no
Kind of man who d steal your heart
And call true love a crime

That s why I keep asking ya, baby Why don t you try me tonight ?

Do yourself a favor
Why don t you try me?
Regular man ain t treatin you right
Why don t you try a man like me tonight?
Why don t you try me?
Why don t you try a man like me tonight?
Why don t you try me?
