E

I d like to say that I tried

It fits in with all the suggestions and lies

F#m

and empty tables

with food untouched

E

I couldn t see the future

and I liked the past too much

G#m

F#m

I ve been goin door to door

G#m

E

like I got something to sell

G#m

Wanderin like a fool

F#m

G#m E

through the halls of a blue hotel

E

Something about her that s cold

blowin through the trees leaving me raw

F#m

the words come out

and they get confused

E

I get shadowed like a light bulb

in an October moon

G#m

F#m

G#m

E

She s inside me like a secret and I got no one to tell
