Verse 1:

**F - C - G**

Somewhere impossible light still shines  
 And every smile is if as new  
 Sometimes i feel like the static in the attic  
 Is making me just confused

Chorus:

```

C5                                G5
If i fall will you catch me?
G5                                C5
If i m sorry, sorry enough?
C5
If i fall will you pity me?
F           C           G           F -
- G
Will you confuse my love for the cobwebs?

```
