Title : Crossed Out Name
Artist : Ryan Adams
Album : Cardinology
Transcribed by : Josh Hamilton

Notes : - This is a really rough draft, but pretty close. Please add and fix! He does a lot of hammer-on s and Pulloffs throughout...so listen to the track. P.S. Chord placement is a little off too, so, again listen and he kinda plays the chords as power chords too and sometimes uses the G bar chord. Good Luck!
