Intro, Verse, and Chorus Chords: D Em D/F# G

D Em D/F# G
As pretty as a song
D Em D/F# G
A song could ever be
D Em D/F# G
Like Christmas in the river
D Em D/F# G
Without a boat or Christmas tree
G D/F# Em D
This afternoon with you was something like a letter
D Em D/F# G
The kind that someone writes but never sends
G D/F# Em D
And when you look at me like that
D Em D/F# G
I know someday it s gonna end
G D/F# Em
And when you pass on
D Em D/F# G (twice)
I bet you miss your friends
