I watch the evening grow old

Collapsing into the meadowlands

Funny how I still hear that voice
 Am **G**
Sometimes it s like it s so loud
C
I only hear a ringing sound
G **D** **C**
If only to say this to you now
Am **G** **C**
I love you still and I always will
G **D** **C**
If only to say this to myself

I will always love you

I will always love you

By the times I ve thought of you
C

Funny how the numbers sway

I love you still and I always will

If only to say this to myself
