Harder Now That It's Over

Ryan Adams

(G) They slapped them (Csus4) on you where that (G) bracelet used to be (Csus4)  
You know the (G) one I bought in (Csus4) Phoenix where they (D) sell old jewelry  
I was (G) trying to make you (Csus4) angry but I didn't (G) feed you to the cops  
(Csus4)

When I (G) threw that drink in (Csus4) that guy's face it was (D) just to piss  
you off

'Cause honey it's (Em) over now (D), it's (Csus4) harder now that it's over (D)  
It's (Em) harder now that it's over (D) now that the (Csus4) cuffs are off  
Honey it's (Em) over now (D), it's (Csus4) harder now that it's over (D)  
It's (Em) harder now that it's over (D) now that the (Csus4) cuffs are off

You're free (Csus4) (D) (Em) (G)

You're free (Csus4) (D)

Free with the (Em) history

You're free (Csus4) (D) (Em) (G)

You're free (Csus4) (D)

Free with the (Em) history

(G) I heard your (Csus4) wrist got bruised must've (G) felt just like old times  
(Csus4)

(G) Wish you would have (Csus4) grabbed the gun and (D) shot me 'cause I died  
And I'm (G) nothing now without (Csus4) you yeah I'm (G) less than nothing now  
(Csus4)

(G) I am the one between (Csus4) the bars and (D) lost forever now

'Cause honey it's (Em) over (D), it's (Csus4) harder now that it's over (D)

It's (Em) harder now that it's over (D) now that the (Csus4) cuffs are off

It's (Em) over now (D), it's (Csus4) harder now that it's over (D)

It's (Em) harder now that it's over (D) now that the (Csus4) cuffs are off

You're free (Csus4) (D) You're free (Em) (G)

You're free (Csus4) (D)

Free with the (Em) history

You're free (Csus4) (D) You're free (Em) (G)

You're free (Csus4) (D)

Free with the (Em) history

I'm sorry (G) (Csus4)

I'm sorry (G) (Csus4)

Honey, I'm sorry (G) (Csus4) (G)

The sunshine bores the daylights out of me.
