

In My Time Of Need

Ryan Adams

Seen this lots of places wrongly transcribed with D instead of F and no Am in the chorus.

Play all chords, including the F, as open.

Will you (F) comfort (C) me in my (F) time of (C) need
 Take (F) away the (C) pain and hurtful (G) deed
 Cause when we (F) need it (C) most there s no (F) rain at all (C)
 The (F) dust just settles (C) right there on the (G) field

Chorus

Will you (Am) say to (C) me, little (F) rain s gon (C) come
 When the (F) sky can t (C) offer none to (G) me
 Cause I will (Am) comfort (C) you when my (F) days are (C) through
 And I ll (F) let your smile just (C) off and carry (G) me
 Cause when the calm comes down
 I take the truck on into town
 And buy whatever we can t seem to grow
 Work these hands to bleed
 Cause I got mouths to feed
 And I got fifteen dollars hid above the stove

Chorus

Cause it ain t like it was
 On back in those days
 When everyone would offer up a hand
 These old bones are worn
 I ve grown tired son
 I know my time is surely gonna come

Chorus

Lord we married young
 Stayed where we come from
 And gave those children everything we had
 Will you stay with me
 In my time of need
 Though it seems we had such little time for love
