Intro/Verse 1:

Bm A E G D A

Bm A E G D A

Your city boys in the rain
And it s trying to get back to you somehow again

You turned your love into games
You can hear your father turning over in his grave

Your city boys in the hall
While she beats her hands bloody on the bathroom wall

The city sisters and me
With the cocaine havin the children feed

Am G D C
What happens when your patience runs out...

C/G
And you re tired of dealing
D*

With all these feelings
Am G D C
What happens when the money runs out?

C/G
And you re out in the rain, out in the rain

D*

Bombs going off inside your head

Instrumental Bridge

A A G D

A (A/G) A G D

Verse 2:

Bm A E G D A

Your city rain on the streets

Yeah, it s falling through the people like some dirty sheets

He s got a girl that he beats

That she hides with the mascara, her friends reprimand her

Am G D C
What happens when your patience runs out...

C/G
And you re tired of dealing

D*
With all these feelings

Am G D C
What happens when the money runs out?

C/G
And you re out in the rain, out in the rain

D*
Bombs going off inside your head

A G
Oh learn how to say goodbye

A G
Oh learn how to say goodbye

F E7
Ahhhhh

Am G C + Am
when you find your peace, it s out of reach

Am G C + Am
find your peace, it s out of reach

C/G
You ve lost your pride, lost your pride

D* E(7)
no place left for you to hide
