

Peaceful Valley

Ryan Adams

[A]Lord take me home
To the peaceful [A7]valley
[A] Down the winding river
To the [G]city of [D]souls
[A]I ve grown so tired
And my hearts grown [A7]heavy
[A]To walk any longer
To your [G]cities of [D]gold
[Em]All my [G]life I ve [D]longed for [A]forgiveness
But [Em]I can never [G]seem to get [D]enough
[Em]All my [G]life I ve been [D]rocked into the [A]darkness
[Em]With a gun to my [G]head
[D]Trying to find a peaceful [G]song
[D] Trying to find a peaceful [G]song
[D]To sing when everything goes [G]wrong
Till the [D]peaceful valley [D7]calls me home
[A]Up there in the clouds
In that [A7]glorious kingdom
[A]Tell me there ain t nothing but an [G]easy [D]recline
[A]Can I still smoke my cigarettes and have my [A7]coffee
Up there in heaven with a [G]bottle of [D]wine
[Em]All my [G]life I ve [D]longed for [A]forgiveness
But [Em]I can never [G]seem to get [D]enough
[Em]All my [G]life I ve been [D]rocked into the [A]darkness
[Em]With a gun to my [G]head
[D]Trying to find a peaceful [G]song
[D] Trying to find a peaceful [G]song
[D]To sing when everything goes [G]wrong
Till the [D]peaceful valley [D7]calls me home
[A]Oh take me home to the peaceful [A7]valley
[A]Down the winding rivers
To your [G]city of [D]souls
