

Starting To Hurt

Ryan Adams

Play the intro and verse palm muted with barre chords, it is pretty easy to figure out how it is played by listening to the recording. I think these are pretty much the right chords, but feel free to add to them or correct anything that is wrong.

Intro:

C G F

A G F

Verse:

C G F

Its a long way down

A G F

But i feel alright.

C G F

Its a long way down.
