C F X 4

C F C F  
I know a sickness ancient and cross  
C F C F  
No crucifix could ever fix enough  
C F C F  
But in a basement of a church these people they talk  
C F C F  
There is a line that must be walked

G F C F  
If you wanna make it stop.. then stop

C F C F  
I know a place where the future is denied  
C F C F  
I know a hand that twitches inside

C F C F  
For some of us the glass is filled with lights  
C F C F  
But if the honey makes you sick honey there is a line that must be walked

G F C F C F C F  
If you wanna make it stop.. then stop stop

Bm A G A Bm  
Slow down you don t have to talk lie down breathe,  
A G A  
Stop, slow down, it s not your fault  
Bm A G  
look around, there s so many of us there s so many of us  
A Bm A G  
and you are not alone, ever Ever ever stop

C F C F C F C F

C F C F  
Call in the backup and the backup comes  
C F C F  
But nobody can help you if you won t  
C F C F  
Inside your chest, your heart is just hurt

C F C F  
Behind your eyes, a need replaced a want

G A  
I know a sickness so ancient and cross

G A  
No crucifix can ever fix enough

G A  
I know a past where the future is lost

G A  
I know a line that must be walked

Bm A G  
There is a darkness and there is a light, and there is a choice

Bm A G  
For a balance to be made every night, a weakness must be found

C F C F C F C F  
If you want it to stop stop stop
