Bm

G

Let me go I m only letting you down

D

G

I ve got nothing to say to you now

Bm

G

I lose the feelings that are weighing me down

D

When I m safe

Bm

G

It s turning morning all the birds sing

D

G

I m not complicating anything

Bm

G

I ll have another then I ll go to bed

D

But I ll dream of you

Bm

Cause it s almost over

Asus4

And it s almost gone

Chorus

D

G

And I can feel the sweet illusion, coming

Bm

G

Sweet confusion, honey

D

G

Bm

Asus4

Sweet illusion coming down

And I ain t got nothing but love for you now

Em Bm Em Bm Em Bm G Asus4

Bm

G

You and I used to shine like a jewel

D

G

But time s been nothing to us but cruel

Bm

G

So play it out and never play the fool

D

Cause you ll lose every time

Bm

G

We were nothing, we were only the past

D

G

Hard times like that don t last

Bm

G

I ve been forgiven, I have been surpassed

D

By my heart

Have you?

Bm

Cause it s almost over

Asus4

Yeah it s almost gone

D

G

And I can feel the sweet illusion coming

Bm

G

Sweet confusion, oh

D

G

Bm

Asus4

Sweet illusion coming down

And I ain t got nothing but love for you

Love for you I can t use

Em

G

Asus4

And lonely nights multiplied by the blues

Asus4

That I can t resolve

note: very light picking on this verse

Bm

G

You never knew me but I did my best

D

G

I m just lonely inside I guess

Bm

G

You gave me everything you really tried

D

Thanks

Bm

G

If we were nothing and we re only the past

D

G

Then I m just living in a dream I guess

Bm

G

D

A long black dream that takes me down the river to you

Bm

Where it s almost over

Asus4

And we re almost gone

D

G

And I can feel the sweet illusion coming

Bm

G

Sweet confusion, honey

D

G

Bm

Sweet illusion coming down

D

G

Well I can feel the sweet illusion coming

Bm

G

Sweet confusion, honey

D

G

Bm

Asus4

Sweet illusion coming down

And I ain t got nothing but love for you now
