You re the only girl for me

G **Am**
Cuz you re my girl

[Repete the chords like in the first part]

You re running out of reasons

Why not the one you re seeing

All of my friend are saying we should be, oh oh

I ts been a while since we ve been talking and

I ve been thinking it would be cool

If it was you and me, yeah yeah

Oh girl you ve got that something

That s got my heartbeat jumping

You pick me up and turn my world around, oh oh

You made me finally see

That you re the only girl I need

And tonight I m bout to show the world you re mine

You re the only girl that I think about

Anytime I m feeling down

You know how to pick me up

You re the only girl

You re the only girl for me (for me)

You re the only girl that I think about

Anytime I m feeling down

You know how to pick me up

You re the only girl

You re the only girl for me

Cuz you re my girl.
