

Rum Roses

Ryan Beaver

[Intro] x2

D

[Verse 1]

D

Sometimes you just wanna feel it burn on your lips

A **D** [let it ring]

Even though you know how itâ€™s gonna taste tomorrow

D

Sometimes you just wanna hold something beautiful

A **D** [let it ring]

Even though it makes your hands bleed and leaves your heart so hollow

[Chorus]

D

Rum and roses poison and thorns

A

D

We wonâ€™t regret em until the morning

G.

D

Ride the buzz til the suns up then weâ€™ll say that itâ€™s over

A

G

Til the next time I show up with rum and roses

[Verse 2]

D

Some nights you just wanna feel something comfortable

A **D**

And the devil that you know is better than the devil you donâ€™t

D

Some nights you know youâ€™re gonna hurt anyway

A **D** [let it ring]

You give in to your weakness for a little something stronger

[Chorus]

D

Rum and roses poison and thorns

A

D

We wonâ€™t regret em until the morning

G.

D

Ride the buzz til the suns up then weâ€™ll say that itâ€™s over

A

G

Til the next time I show up with rum and roses

[Solo]

D A G

[Bridge]

D

What makes the moon look redder

D

What makes the world look better

D

Some things just go together like we go together like

[Chorus]
