Ryan Bingham & the Dead Horses - Roadhouse Blues
Standard Tuning

E
Iâ€™ve been paying them road house dues
A7 B7 E
Since I was a young boy
E
Drifting and ramblinâ€™ with my old man searching
A7 B7 E
Around for that West Texas oil

A7 B7 E
Well ainâ€™t nobody know
A7 B7 E
Where Iâ€™m gonna go 
A7 B7 E
Ainâ€™t nobody know
A7 B7 E
These here gypsy roads

Straight out them bad lands well I come a runninâ€™
Out of New Mexico
Eighteen wheelers and freight trains and pump jacks
Well hell I rode upon

Mr. Armadillo donâ€™t stand in my way
I ainâ€™t gonna stick around here
I donâ€™t know why I canâ€™t fly this gypsy ride
On out the cosmic cowboy atmosphere
