Ryan Bingham & the Dead Horses - Roadhouse Blues
Standard Tuning

E

Iâ€™ve been paying them road house dues

A7 B7 E

Since I was a young boy

E

Drifting and ramblinâ€™ with my old man searching

A7 B7 E

Around for that West Texas oil

A7 B7 E

Well ainâ€™t nobody know

A7 B7 E

Where Iâ€™m gonna go 

A7 B7 E

Ainâ€™t nobody know

A7 B7 E

These here gypsy roads

Straight out them bad lands well I come a runninâ€™

Out of New Mexico

Eighteen wheelers and freight trains and pump jacks

Well hell I rode upon

Mr. Armadillo donâ€™t stand in my way

I ainâ€™t gonna stick around here

I donâ€™t know why I canâ€™t fly this gypsy ride

On out the cosmic cowboy atmosphere
