

Rollin Highway Blues

Ryan Bingham

Dm **C**
If I had the chance to hold you again
A# **F**i,
In my crying eyes
F **C**
Id take a chance and fall in love with you
Dm **C** **A#** **F**
But I know, I couldn t have one more dance
F **C** **F**
To bring you back to the rolling highway blues
Dm **C**..
Cause I m back, to falling down es
A# **F**i,
again my friends
F **C**
I don t have any more luck to lose
Dm **C** **A#** **F**
I wish the train would haul away every card I choose
F **C** **F**
And bring you back to the rolling highway blues

Chorus:

A# **F** **A#** **F** **C**
And darlin don t regret, leaving a drunken fool
A# **F** **A#** **F** **C**
And darlin don t respect, a man that don t care for you
A# **C** **F**
Never go back to the rolling highway blues
Dm **C**
Cause every night I fall asleep with
A# **F**
whiskey in my mind
F **C**
Hoping that I might wake up next to you
Dm **C**
But I know that I will wake alone
A# **F**
In the morning dew
F **C** **F**
And head back out on the rolling highway blues
