

Sunrise

Ryan Bingham

Sunrise - Ryan Bingham - Mescalito
Standard Tuning

Intro: **A B C#m E** x3
A B C#m D#m E

The entire rest of the song does this pattern:

E B C#m A | **A B C#m A** | and just repeat that.

Here I go again
Straight up out the motel
Hock my guitar out of a pawn shop jail
If i quit, Iâ€™m just rolling the dice
Couldnâ€™t pass up the red beans and rice
Singing

Oh, my my
See them girls shake their ass
Underneath the sunrise
Oh my my
Taste the sugar on their lips
Underneath that moonlight

Well Iâ€™ve never met the devil with a one-eyed dog
You can lead a blind man out of Vietnam
Everybodyâ€™s beggin, everybody wants a chance
Stuck in a storm, weâ€™ll do a rain dance

Oh, my my
See them girls shake their ass
Underneath the sunrise
Oh my my
Taste the sugar on their lips
Underneath that moonlight

Iâ€™m takin my chances
Iâ€™m takin my sins
Throwin em down the hill and ill watch em come around again
Watched em fall, watched em rise up to the sky
A hundred miles an hour across the river to the other side

Oh, my my
See them girls shake their ass
Underneath the sunrise
Oh my my
Taste the sugar on their lips

Underneath that moonlight

Well Iâ€™ve never met the devil with a one-eyed dog
You can lead a blind man out of Vietnam
Everybodyâ€™s beggin, everybody wants a chance
Stuck in a storm, weâ€™ll do a rain dance

Oh, my my
See them girls shake their ass
Underneath the sunrise
Oh my my
Taste the sugar on their lips
Underneath that moonlight
