D **D/C#** **Bm** **D/C#**
So much beauty in life, Shining on the outside, Empty on the inside
D **D/C#** **Bm**
I get lost sometimes, Blinded by the flashing lights
D/C#
Distractions always in my eyes
B **Bb** **G**
So i m following the sound, the sound of my heart Beating

[chorus]

D **D/C#**
You can take it all away
I don t need it
Bm **Bb**
Underneath, i ll still be the same
D **D/C#**
You can take it all away
Bm
I don t need it, it s not me
Bb **G**
You can take it all, take it all away
Bb
I ll still be the same

D **D/C#**
Are you hiding still?
Bm
Don t you want to love yourself?
D/C#
Don t you know that someone will?
D **D/C#**
Time can turn it around
Bm
Leave it all and strip it down
D/C#
That s the only way to find it out

B **Bb** **G**
Are you following the sound, the sound of your heart? Beating

[chorus]

F **C**
Coming in with nothing, leaving with the same
Bb **C**
It s all inside
F **C**
Coming in with nothing, the only thing that saves
Bb **C**
Is here inside

[chorus]

LAST CHORUS

D **D/C#**
You can take it all away
I don t need it
