

Sleeping Through
Ryan Cassata

Intro: **A, B5, G, D**

Verse: **A, B5, G, D**

Try to help myself from falling to the ground
Looking round the world for answers that can't be found
I looked up, well I got down real low
Tell me how far, how far can you really go
And I wonder how you're sleeping through the night
Hope you're holding someone cause you'll cry every time
Just one more fight I will take the key
I'll jump on the road

Intro: **A, B5, G, D**

Verse: **A, B5, G, D**

Try to stop myself from sailing off the edge
Don't push too hard you'll make me hit the end
The oceans rocky, we won't sail right through
Help steer the ship or we'll stumble on blue
Come on with me just let me take the wheel
I'll be the captain to tell you how I feel
I hope you catch up because I walk in strides
And I'd hate to lose you, lose you from my life
