Soda Cans

CAPO ON FRET 5
F#
I can see soda cans,
Clanking off the back of our hippie van,
                                                    C#
Driving to our log cabin house on the bay.
I can see us sitting there,
Rosy cheeks and long brown hair,
                                         C#
Ebm
Collecting characters as they sway.
F#
And where are you now,
When I m dreaming all this out?
Does distance make the heart grow founder,
Or does it make it wander…Around,
You can t promise this won t tear me down.
Ebm
You can hear me shout it out,
Well I hold a heart of
В
…Doubt,
F#
I doubt that loves real anyway,
В
Love, Love,
F#
Well you can hear me say...
Ebm
                      C#
It s tearing me down
Well hold the ring boy,
Love will make you drown.
```

```
Oh yeah, oh yeah.
F#
I can see children,
Clinging to our knees cause where the ones they need.
                                                        C#
And grandma and grandpa wouldn t know.
I can see them growing up,
Drinking up and throwing up,
                                         C#
Becoming wild gypsies like we.
F#
And where are you now,
When I m dreaming all this out?

Love will make you drown
Love will make you drown
F#
Can you tell me if this distance,
Makes loves to hard of a mission?
Suspicion is brewing,
I m wishing and fishing,
Ebm
And thinking of a way, to get me out,
Game over angel, well here s a man down.
F#
But oh wait, can you tell if these feelings that I feel,
Are useless or witty, or maybe they are real.
Ebm
I can t find a true answer in my head,
C#
And I m prancing around at the end!
F#
I can see soda cans,
