Iâ€™m waiting for the phone call to cure all the pain,
And the beauty to rise when the skies in vain,
And Iâ€™m, Waiting on the sunrise
Waiting for the answers from God above,
But Iâ€™m getting no reply, Iâ€™m getting no love
And Iâ€™m, waiting on the sunrise
When you lose your ma you loose your friend
Itâ€™s a similar story fought with revenge
And Iâ€™m, waiting on the sunrise
My bitter insides been revived,
Well Iâ€™m counting on you to help me survive
And Iâ€™m, waiting on the sunrise
