Just cry.

Let it free fall from your eyes

VERSE 1:

Wake up see a sunrise  
Let it free fall from your eyes.  
Start my day and I read a sonnet  
Got got a soft cheek with a tear on it.

Step out and the skies are clear

I m a man and I have no fear.

Take a step and I land in crap.

I let it out, no holding back.

(CHORUS)

VERSE 2:

Baby we can go out on a first date.

But you come and pick me up half an hour late.

Girl I m not gonna lie, that you almost made me cry,

But I m a masculine man ill be ok.

Yeah, your place, toy story 3

the greatest all time kid s movie.

But I forgot, Andy leaves Woody,

And now the tears are coming right back over me.

(CHORUS)

stay aWESome!!!
