

To A T
Ryan Hurd

[Intro]

Asus2

[Verse 1]

Asus2 **E** **F#m**
Take off your makeup, nobody s around

Dsus2

It s you and me, girl, just let your guard down

Asus2 **E** **F#m**
I see right through you, I know what it means

Dsus2

F#m **E**

I know I got you, the moment when you close your eyes-ey-ey

Dsus2

I know I m doing something right-right-right

[Chorus]

Asus2

I got you down to a t-shirt

E

White sheets, red wine

F#m **Dsus2**

Baby you don t wanna leave

Asus2

E

F#m

You want a record with some reverb, backbeat and low light

Dsus2

You know, I know what you need tonight

Asus2

E

F#m

Dsus2

Girl I ll take my time-ime, dot every, I, I, baby I, I

I got you down to a t

Asus2 **E** **F#m** **Dsus2**

Mmm

[Verse 2]

Asus2 **E** **F#m**

Stay here til sunrise, I wanna know you

Dsus2

Like it s the last time I ll ever hold you

Asus2 **E** **F#m**

Girl, every detail leave it up to me

Dsus2

Lay back and let go

F#m

E

You don t even have to say-ay-ay anything

Dsus2

About the way-ay-ay

[Chorus]

Asus2

You should see how you look in that t-shirt

E

White sheets, red wine

F#m **Dsus2**

Baby you don t wanna leave

Asus2

E

F#m

You want a record with some reverb, backbeat and low light

Dsus2

You know, I know what you need tonight

Asus2

E

F#m

Dsus2

Girl I ll take my time-ime, dot every, I, I, baby I, I

I got you down to a t

Asus2 E F#m Dsus2

Whoa, yeah, yeah

[Bridge]

Asus2 **E**

Got you down, got you down

F#m **Dsus2**

Got you down, got you down

Asus2 **E**

Don t worry baby

F#m

Dsus2

Cause driving you crazy is all I ever wanted

[Chorus]

Asus2

Now that I have you down to a t-shirt

E

F#m

White sheets and red wine

Dsus2

Mmmm

Asus2

E

F#m

You want a record with some reverb, backbeat and low light

Dsus2

You know, I know what you need tonight

Asus2

E

F#m

Dsus2

Girl I ll take my time-ime, dot every, I, I, baby I, I

I got you down to a t

Asus2 E F#m Dsus2

[Outro]

Whoa

Asus2

I got you down to a t

E

Got you down, got you down

F#m

Dsus2

Got you down, got you down

Asus2

I got you down to a t
