

The Love That You Wasted  
Ryan O'Reilly

[Intro]

**Em**

[Verse]

**Em**

Your silence was confession

**Am**

And suddenly I knew

**D**

Perhaps somehow I always did

**Am**

**D**

**Em**

I tried to tell myself that it s not true

**Em**

I understand forgiveness

**Am**

But still I don t know how

**D**

You hid it from me for so long

**Am**

**D**

**Em**

But I know what you are hiding from me now

[Chorus]

**Am**

**D**

That you want, what you can t

**Em**

**D**

Have, you don t, you don t understand

**Am**

**D**

The fruit that you taste

**Em**

**D**

It is worse, than the love you wasted

**Am**

**D**

**Em**

Love that you wasted Oh oh oh

[Verse]

**Em**

I can t believe this happens

**Am**

And that it s happening to me

**D**

Just before you start to speak

**Am**

**D**

**Em**

You tell me silently

[Chorus]

**Am**

**D**

That you want, what you can t

**Em**

**D**

Have, you don t, you don t understand

**Am**

**D**

The fruit that you taste

**Em**

**D**

It is worse, than the love you wasted

**Am**

**D**

**Em**

Love that you wasted Oh oh oh

**D**

**Am**

Love that you wasted Oh oh oh

**D**

**Em**

Love that you wasted Oh oh oh

**Am Em D**

**Em**

Well maybe I m to blame here

**Am**

Perhaps I m not enough

**D**

As you destroy what you helped to build

**Am**

**D**

**Em**

And tell yourself that it was only love

**Am**

**D**

**Em**

But it s the love that you wasted oh oh oh

**D**

**Am**

Love that you wasted oh oh oh

**D**

**Em**

Love that you wasted oh oh oh

**D**

**Am**

Love that you wasted oh oh oh

**D**

**Em**

Love that you wasted oh oh oh

**Em**
