**Right Now**
**Ryan Star**

Artist: Ryan Star
Song:   Right Now
Album:  11:59
Tabbed by: Sayer
Tuning: 1/2 step down

*Ryan only uses the Barred E Major as I have it written here during the verses.
During
chorus and pretty much throughout the rest of the song, itâ€™s E Major in the
open position.

(Open)E Maj- 022100

Verse 1:

**AMaj**             **F#Maj**
Iâ€™m putting all my things in boxes,
**AMaj**              **F#Maj**
Iâ€™m gonna throw it all away.
**AMaj**            **F#Maj**
I think Iâ€™ve got a good idea but,
**C#** Maj      **G#** Maj
Who am I to say.

**AMaj**             **F#Maj**
Iâ€™m burning all the things you gave me,
**AMaj**             **F#Maj**
Erasing all my memories.
**AMaj**             **F#Maj**
I thought you were the one to save me,
**C#** Maj    **G#** Maj
I was so naive.

**F#Maj**
Iâ€™m about to lose control
              **C#** Maj
So, Iâ€™m gonna let it go

(Chorus)

```
AMaj          F#sus2
Yesterday is history,
C#sus              G# Maj
Tomorrow may not come.
          AMaj        F#sus2
I'm gonna run to the horizon,
      C#sus          G# Maj
We are strong, we are young.
          AMaj        F#sus2
I'm gonna' lay on the ground,
          C#sus            G# Maj
Feel the rain that's coming down.
          AMaj        F#sus2
And there's nothing anyone,
          C#sus          G# Maj
could do or say to bring me down.

Amaj F#sus2 C#sus G# Maj
Right Now
Amaj F#sus2 C#sus G# Maj
Right Now

(Palm Muted X16) F Maj

Verse 2:

AMaj                F#Maj
I think its time I started over.
AMaj                F#Maj
I think I'll sail away from here.
AMaj                F#Maj
I'm gonna make a great escape,
C# Maj      G# Maj
Now watch me disappear.

F#Maj
I'm about to lose control
            C# Maj
So, I'm gonna let it go

(Chorus)

AMaj          F#sus2
Yesterday is history,
C#sus              G# Maj
Tomorrow may not come.
          AMaj        F#sus2
I'm gonna run to the horizon,
      C#sus          G# Maj
We are strong, we are young.
          AMaj        F#sus2
```

I’m gonna’ lay on the ground,
```
          C#sus              G# Maj
```
Feel the rain that’s coming down.
```
          AMaj        F#sus2
```
And there’s nothing anyone,
```
          C#sus              G# Maj
```
could do or say to bring me down.

Right Now…

Dsus2 (Palm mute, slowly pull off.)
Itâ€™s where I want to beâ€¦

(Chorus)

*TAP/STOMP Part (Here Ryan taps the guitar and throws in the single strum of
FMaj where
put it â€" when heâ€™s performing on stage, heâ€™ll stomp his foot instead of
tapping, you can
either to get the effect.)

Yesterday is history,
Tomorrow may not come.
          FMaj (Single Strum!)
Iâ€™m gonna run to the horizon,
                      FMaj (Single Strum!)
Like I did when I was young.

          **AMaj       F#sus2**
Iâ€™m gonna lay on the ground,
        **C#sus                  G#** Maj
Feel the rain thatâ€™s coming down.
          **A** Maj       **F#sus2**
And thereâ€™s nothing anyone,
          **C#sus                G#** Maj
could do or say to bring me down.
