Start a Fire
Ryan Star

Intro: **Bbm**

Bbm   **Gb**   **Db**   **Ab**
I remember when you said your father s asleep
Bbm   **Gb**   **Db**   **Ab**
I remember swimming as our clothes drifted off to sea

   Bbm   **Gb**
So wake up, wake up dreaming
     Db   **Ab**
And lie here with me
   Bbm   **Gb**
So wake up, wake up dreaming
     Db   **Ab**
And lie here with me

          Bbm
Here we go
          Gb   **Db**   **Ab**
Just lose control and let your body give in
          Bbm
To the beat
          Gb   **Db**   **Ab**
Of your heart as my hand touches your skin
          Bbm   **Gb**
Is this love, or
       Db   **Ab**   **Ebm**
Just sexual desire
       Db   **Ab**
We re gonna start a fire!

```
      Bbm          Gb          Db          Ab
E|-|-------------------------------------------------|
B|-|------1--2-------1--2--------1-2---2-1---------|
G|-|-3-----------------------------------------3-----|
D|-|-----------4----------3----------------------|
A|-|-------------------------------------------------|
E|-|-------------------------------------------------|
```

Bbm   Gb   Db   Ab
I remember drinking as the stars were falling
Bbm   Gb   Db   Ab
I remember dancing on the hotel s unmade bed

   Bbm   Gb
So wake up, wake up dreaming
     Db   Ab

```
And lie here with me
   Bbm                       Gb
So wake up, wake up dreaming
     Db          Ab
And lie here with me

          Bbm
Here we go
          Gb                  Db          Ab
Just lose control and let your body give in
          Bbm
To the beat
          Gb            Db          Ab
Of your heart as my hand touches your skin
          Bbm      Gb
Is this love, or
        Db        Ab      Ebm
Just sexual desire
        Db            Ab
We re gonna start a fire!

          Bbm
Here we go
          Gb                  Db          Ab
Just lose control and let your body give in
          Bbm
To the beat
          Gb            Db          Ab
Of your heart as my hand touches your skin
          Bbm      Gb
Is this love, or
        Db        Ab      Ebm
Just sexual desire
        Db            Ab
We re gonna start a fire!

Gb                      Bbm
Taking chances in the back of your car
   Db                        Ab
We burn and all my radio is working in the freezing room
Gb
S.O.S., so obsessed
Bbm
Oh you make me such a mess
Db                              Ab
Why can t this just last forever, why, why, why?

   Bbm                       Gb
So wake up, wake up dreaming
     Db          Ab
And lie here with me
   Bbm                       Gb
So wake up, wake up dreaming
```

```
      Db                Ab
And lie here with me

        Bbm
Here we go
         Gb                      Db          Ab
Just lose control and let your body give in
        Bbm
To the beat
        Gb              Db              Ab
Of your heart as my hand touches your skin
        Bbm        Gb
Is this love, or
      Db          Ab        Ebm
Just sexual desire
      Db              Ab        Ebm
We re gonna start a fire!
      Db              Ab        Ebm
We re gonna start a fire!
      Db              Ab
We re gonna start a fire!

        Bbm
Here we go
          Gb                      Db          Ab
Just lose control and let your body give in
        Bbm
To the beat
        Gb              Db              Ab
Of your heart as my hand touches your skin
        Bbm        Gb
Is this love, or
      Db          Ab        Ebm
Just sexual desire
      Db              Ab        Ebm
We re gonna start a fire!
      Db              Ab        Ebm
We re gonna start a fire!
      Db              Ab
We re gonna start a fire!
```
