

**We Might Fall**  
**Ryan Star**

**C** **Am**  
We should go to sleep now,  
**Em** **X**  
You should stay the night.  
**Am** **F** **C** **G**  
Iâ€™ll be up to watch the world around us live and die.  
**C** **Am**  
Lying on the grass now,  
**Em** **X**  
Dancing for the stars  
**Am** **F** **C** **G**  
Maybe one will look on down and tell us who we are.

**Am**  
We might fall  
**F**  
We might fall  
**C**  
We might fall Halle  
**G**  
We might fall

**C** **Am**  
I could join the circus,  
**Em** **X**  
And you could sell your hair  
**Am** **F** **C** **G**  
I could learn to walk the line or learn to train the bears  
**C** **Am**  
Tell me are you crazy,  
**Em** **X**  
And did you like the cold  
**Am** **F** **C** **G**  
Tell me are you comfortable if comfortable at all

**Am**  
We might fall  
**F**  
We might fall  
**C**  
We might fall Halle  
**G**  
We might fall

**C** **Am**  
Now that we are older,  
**Em** X  
I remember you  
**Am** **F** **C** **G**  
Reaching out to show me all the things that I must do  
**C** **Am**  
Now that we are older,  
**Em** X  
I remember youth  
**Am** **F** **C** **G**  
Now that we are closer and close to finding truth

**Am**  
We might fall  
**F**  
We might fall  
**C**  
We might fall Halle  
**G**  
We might fall
