

**We Might Fall**  
**Ryan Star**

**C#** **Bbm**  
We should go to sleep now,  
**Fm** **X**  
You should stay the night.  
**Bbm** **F#** **C#** **G#**  
Iâ€™ll be up to watch the world around us live and die.  
**C#** **Bbm**  
Lying on the grass now,  
**Fm** **X**  
Dancing for the stars  
**Bbm** **F#** **C#** **G#**  
Maybe one will look on down and tell us who we are.

**Bbm**  
We might fall  
**F#**  
We might fall  
**C#**  
We might fall Halle  
**G#**  
We might fall

**C#** **Bbm**  
I could join the circus,  
**Fm** **X**  
And you could sell your hair  
**Bbm** **F#** **C#** **G#**  
I could learn to walk the line or learn to train the bears  
**C#** **Bbm**  
Tell me are you crazy,  
**Fm** **X**  
And did you like the cold  
**Bbm** **F#** **C#** **G#**  
Tell me are you comfortable if comfortable at all

**Bbm**  
We might fall  
**F#**  
We might fall  
**C#**  
We might fall Halle  
**G#**  
We might fall

**C#** **Bbm**  
Now that we are older,  
**Fm** **X**  
I remember you  
**Bbm** **F#** **C#** **G#**  
Reaching out to show me all the things that I must do  
**C#** **Bbm**  
Now that we are older,  
**Fm** **X**  
I remember youth  
**Bbm** **F#** **C#** **G#**  
Now that we are closer and close to finding truth

**Bbm**  
We might fall  
**F#**  
We might fall  
**C#**  
We might fall Halle  
**G#**  
We might fall
