

We Might Fall
Ryan Star

B **G#m**
We should go to sleep now,
Ebm X
You should stay the night.
G#m **E** **B** **F#**
Iâ€™ll be up to watch the world around us live and die.
B **G#m**
Lying on the grass now,
Ebm X
Dancing for the stars
G#m **E** **B** **F#**
Maybe one will look on down and tell us who we are.

G#m
We might fall
E
We might fall
B
We might fall Halle
F#
We might fall

B **G#m**
I could join the circus,
Ebm X
And you could sell your hair
G#m **E** **B** **F#**
I could learn to walk the line or learn to train the bears
B **G#m**
Tell me are you crazy,
Ebm X
And did you like the cold
G#m **E** **B** **F#**
Tell me are you comfortable if comfortable at all

G#m
We might fall
E
We might fall
B
We might fall Halle
F#
We might fall

B **G#m**
Now that we are older,
Ebm **X**
I remember you
G#m **E** **B** **F#**
Reaching out to show me all the things that I must do
B **G#m**
Now that we are older,
Ebm **X**
I remember youth
G#m **E** **B** **F#**
Now that we are closer and close to finding truth

G#m
We might fall
E
We might fall
B
We might fall Halle
F#
We might fall
