

We Might Fall
Ryan Star

D **Bm**
We should go to sleep now,
F#m **X**
You should stay the night.
Bm **G** **D** **A**
Iâ€™ll be up to watch the world around us live and die.
D **Bm**
Lying on the grass now,
F#m **X**
Dancing for the stars
Bm **G** **D** **A**
Maybe one will look on down and tell us who we are.

Bm
We might fall
G
We might fall
D
We might fall Halle
A
We might fall

D **Bm**
I could join the circus,
F#m **X**
And you could sell your hair
Bm **G** **D** **A**
I could learn to walk the line or learn to train the bears
D **Bm**
Tell me are you crazy,
F#m **X**
And did you like the cold
Bm **G** **D** **A**
Tell me are you comfortable if comfortable at all

Bm
We might fall
G
We might fall
D
We might fall Halle
A
We might fall

D **Bm**
Now that we are older,
F#m **X**
I remember you
Bm **G** **D** **A**
Reaching out to show me all the things that I must do
D **Bm**
Now that we are older,
F#m **X**
I remember youth
Bm **G** **D** **A**
Now that we are closer and close to finding truth

Bm
We might fall
G
We might fall
D
We might fall Halle
A
We might fall
