Never Had A Dream Come True
s Club 7
[Intro]
Bb-C-Dm Bb-C-F Bb-Gm-F-C
[Verse 1]
                                            Bb
                                                                        C7
                        Cm
                                                                   Gm
Everybody s got something they had to leave behind
                          Cm
                                                            Eb
                                                                          Gm
                                                  Dm
One regret from yesterday that just seems to grow with time
                                             Dm
There s no use looking back or wondering
How it could be now or might have been
Oh this I know but still I can t find ways to let you know
[Chorus]
                          Bb
                                         Dm
I ve never had a dream come true
                       Bb C
Till the day that I found you
                                      Вb
                                                     Gm
Even though I pretend that I ve moved on
                              C
You ll always be my baby
                           Вb
                                  C Dm
I never found the words to say
                          Bb
You re the one I think about each day
                         Cm
                                               Bb
                                                           Gm
And I know no matter where life takes me to
                                             Dm Bb C
A part of me will always be with you
[Verse 2]
(same as verse 1)
Somewhere in my memory
I ve lost all sense of time
And so my road can never be
Cause yesterday is all that fills my mind
```

There s no use looking back or wondering

How it could be now or might have been
Oh this I know but still I can t find ways to let you go

[Chorus]

(chorus chords)

I ve never had a dream come true
Till the day that I found you
Even though I pretend that I ve moved on
You ll always be my baby
I never found the words to say
You re the one I think about each day
And I know no matter where life takes me to
A part of me will always be

[Bridge]

Gm Bb C

You ll always be the dream that fills my head Yes you will, say you will, you know you will
