So when you ask me what I mean
To me the Christmas is complete

Boy can't you see
You're the one thing missing for me

The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you
Though the winter seems so long
My faith in love has kept me strong
So if I had a wish come true
I'd spend the perfect Christmas with you
