( AIN T NO PARTY LIKE AN S CLUB PARTY)				

THAT S THE INTRO JUST REPEATED WITH DIFFERENT LYRICS

VERSE **Bm7 E7**

CHORUS (same as intro) **Bm7 E7 G A D**

near the end of the song there is a key change where all  
the chords move up a full tone so the chords are

**C#m7 F#7 A B E**

this is really easy to work out and we played it in a bar in Belfast  
last week and it went down brilliantly. Try it yourself ENJOY
