CAPO 1

Verse 1:

Bm7

Anytime the lights go out when I m alone with you

G

I ve been doing plenty things I know I shouldn t do

D

La. La la. La la la. Tear dum dum

F#7

Gimme love, gimme love, gimme love

Bm7

If I take it there with you you know we can t be friends

G

Ain t no use in me and you even tryna pretend

D

Na. Na na. Know me have fear bum bum

F#7

Gimme love, gimme love, gimme love

Pre-Chorus:

Bm7

Say you want me then i want you too

G

Say you need me then i need you too

D

Just don t say you miss me and never call back

F#7

Where they do that at?

Bm7

If you kiss me, I mma kiss on you

G

Did you touch me? Or did I touch you?

D

Just don t say you love me and never come back

F#7

Where they do that at?

Chorus:

Bm7

G

Where they do that at (repeat)

D

Just don t say you miss me and never call back

F#7

Where they do that at?

Bm7

G

Where they do that at (repeat)

D

Just don t say you love me and never come back

F#7

Where they do that at?

[WALE S RAP]

Pre-Chorus:

Bm7

If you kiss me, I mma kiss on you

G

Did you touch me? Or did I touch you?

D

Just don t say you miss me and never call back

F#7

Where they do that at?

Bm7

Keep it right there don t change a thing

G

I ll be right here when you turn to leave

D

Just don t say you love me and never come back

F#7

Where they do that at?

Chorus:

Bm7

G

Where they do that at (repeat)

D

Just don t say you miss me and never call back

F#7

Where they do that at?

Bm7

G

Where they do that at (repeat)

D

Just don t say you love me and never come back

F#7

Where they do that at?

Bridge:

Bm7

G

You know I never been the insecure type right

D

F#7

but i just wanna be loved baby loved right

Bm7

G

We re both grown and I don t wanna play

D

F#7

I love you baby if you love me

Chorus:

Em7

G

Where they do that at (repeat)

D

Just don t say you miss me and never call back

F#7

Where they do that at?

Em7

G

Where they do that at (repeat)

D

Just don t say you love me and never come back

F#7

Where they do that at?
