**Wildside**
**Sabrina Carpenter**

  **D#m** x4

**D#m**
 My heart is racing
**C# D#m**
   Can t stop this feeling
**C# D#m**
   My ground is shaking
**G# A#      D#m**
 I wanna  let go, go crazy
**C# D#m**
   Dance on the ceiling
**C# D#m**                    **G# A#**
   My world is waiting

                **D#m**
Don t wanna stop, give up
**C# D#m**                                    **C# D#m**
I want it all  cause I just ain t had enough
                        **F#**
Keep up, we re gonna show the world
            **G#**                **D#m**
That there s just no stopping us
        **C#   D#m**
No one can hold us back,
**D#m**
we re gonna break the rules
  **C#      D#m**
Can t hold us back, we re gonna light
            **D#m**
the fuse in us

                **D#m**
I m living on the wildside, wildside
**F#**                    **C#**
 No telling what I might find, might find
**B**                    **D#m**
 No stopping  cause it feels right, feels right
**F#**                    **C#**      **B**
 I m living on the Ooh, ooh

        **D#m**
On the wildside, wildside
**F#**                    **C#**
 So ready, now it s my time, my time
**B**                    **D#m**
 No stopping  cause it feels right, feels right

```
F#                       C#      B D#m
 I m living on the Ooh, ooh

D#m
 I used to think that
C# D#m
   Good things were so bad
C# D#m
   No need to hold back
 G#              A#
Not me, no more
D#m
 I m walking this road
C# D#m
   I m taking control
C# D#m                C# D#m
   My heart can t say no

                  D#m
I m living on the wildside, wildside
F#                  C#
 No telling what I might find, might find
B                  D#m
 No stopping  cause it feels right, feels right
F#                  C#      B
 I m living on the Ooh, ooh

       D#m
On the wildside, wildside
F#                  C#
 So ready, now it s my time, my time
B                  D#m
 No stopping  cause it feels right, feels right
F#                  C#     B
 I m living on the Ooh, ooh

        D#m           B
Don t wanna live my life by design
F#             G#m
 Locked inside, break out
D#m            B
 Break the rules, light the fuse
F#                   G#m
 Something new that s right

                  D#m       F#
I m living on the wildside
                   C#        B
No telling what I might find
                   D#m       F# C# B
No stopping  cause it feels right

                  D#m
```

I m living on the wildside, wildside
**F#**                        **C#**
 No telling what I might find, might find
**B**                      **D#m**
 No stopping  cause it feels right, feels right
**F#**                    **C#**      **B**
 I m living on the Ooh, ooh

        **D#m**
On the wildside, wildside
**F#**                    **C#**
 So ready, now it s my time, my time
**B**                      **D#m**
 No stopping  cause it feels right, feels right
**F#**                    **C#**      **B**
 I m living on the Ooh, ooh
                    **D#m**
I m living on the wildside, wildside
