Backseat driver, Sabrina Starke

chords: John Muijsers

Intro: CmVIII GmVIII D#VI (repeat)

I feel you staring at my head, what more can I say?  
It s best that you be on your way, and take your ego with ya  
Who asked you, who asked you to comment on this thing in question?  
I feel a tremble in my hands, I feel a tremble in my hands  
A tremble in my hands right now, A tremble in my hands right now  
A tremble in my hands right now  
A tremble in my hands and you re still standing there!

Chorus:

**Fm Cm Fm Cm**  
You re a back seat driver, top of the lane  
**G#**  
Leaving you where I found you,  
I left you wonder why  
**Fm Cm Fm Cm**  
you re a back seat driver, top of the lane  
**G# G**  
Leaving you where I found you

Cause silly ways don t bother me, but I m just saying

**Cm Gm D#** (repeat)

Don t even bother to understand  
But then again, before you, I feel a tremble in my hands  
I feel a tremble in my hands right now  
A tremble in my hands right now  
A tremble in my hands right now  
A tremble in my hands and you re still standing there!

Behind your way, hey, hey  
Behind your way, hey, hey  
Behind your way, hey, hey

**G# G**

Behind your way,

Break:

**G# D#** (repeat)

It's single democracy, my smiling enemy  
Spur me not with your bitter, your talk is cheap!

**G**

Go the same way that you came, go for me!

STOP

Rap-part:

Alright, listen! (Don't return!)

**CmVIII GmVIII D#VI** (repeat)

Talking about that nonsense so much

Not for them, just doing too much

Can't stand in my way like a wood block

Can't put it down, and I can't pull it back

Back seat drivers with a big truck

â€¦????...

Keep talking, I'm stepping up

Back seat drivers I can't do it like that, no!

Repeat Chorus:

You're a back seat driver, top of the lane

Leaving you where I found you,

I left you wonder why

you're a back seat driver, top of the lane

Leaving you where I found

I left you wondering why

back seat driver, top of the lane etc.

Be on your way

STOPâ€¦.. And don't return
