Dm C/Dm Gm Bb A
 jezebel wasn t born with a silver spoon in her mouth
 Dm C/Dm Gm Bb A
 she probably had less than every one of us
 Bb C Dm
 but when she knew how to walk she knew
 Dm

how to bring the house down

Gm C

can't blame her for her beauty

Bb A

she wins with her hands down

(and so on and on, also during the saxophon solo)

jezebel, what a belle

looks like a princess in her new dress

how did you get that?

do you really want to know she said

it would seem she's on her way

it's more, more than just a dream

she put on her stockings and shoes

had nothing to lose - she said it was worth it

reach for the top

and the sun is gonna shine

every winter was a war she said

i want to get what's mine

jezebel, jezebel

won't try to deny where she came from

you can see it in her pride

and the raven in her eyes

try show her a better way

she'll say you don't know what you've been missing

and by the time she blinks you know she won't be listening

reach for the top she said

and the sun is gonna shine

every winter was a war she said

i want to get what's mine
