Verse

Now there s something inside you starting Like there s a fight coming your way But there ll be no fists you ll be throwing Just some words you ve got to say

And you ll scream for our repentance Or you ll hide behind what s fake But there ain t nothing to forgiveness And you give as freely as you take And what you don t know, it won t hurt you

And what you don t know will save you from some pain

But if I could choose I d let it hurt you

Cause there s something bout life in the pain

A	В	E
And I don t need	to know your stories	
A	В	E
Don t need to und	lerstand your pain	
A	В	E
Cause I ve been here since the beginning		
A	В	E
And I ll be here	the rest of the way	
A	В	E
And I ll be here	the rest of the way	

Now you ve tried your hand at running Why don t you try your hand at faith Cause there s a moment to be taken But it is right before you break

And what you don t know, it won t hurt you
And what you don t know will save you from some pain
But if I could choose I d let it hurt you
Cause there s something bout life in the pain
Yes, there s something bout life in the pain
Yes, there s something bout life in the pain
