Intro
C#m, **B**, **E**, **E** (x4)

Verse (same as intro)

C#m   **B**   **E**   **E**
     Now you don t have a purpose
C#m   **B**   **E**   **E**
     You don t let anybody in
C#m   **B**   **E**   **E**
     You don t understand why she don t love you
C#m   **B**   **E**   **E**
     But you don t understand yourself

Now you re out there with no target
So your friends become your aim
But there is no one left around you
So there is no one left to blame

Chorus

E   **A**   **E**
And what you don t know, it won t hurt you
                 A   **E**
And what you don t know will save you from some pain
                   A   **E**
But if I could choose I d let it hurt you
                     A   **E**
Cause there s something bout life in the pain

Verse

Now there s something inside you starting
Like there s a fight coming your way
But there ll be no fists you ll be throwing
Just some words you ve got to say

And you ll scream for our repentance
Or you ll hide behind what s fake
But there ain t nothing to forgiveness
And you give as freely as you take

And what you don t know, it won t hurt you
And what you don t know will save you from some pain
But if I could choose I d let it hurt you
Cause there s something bout life in the pain

```
      A                 B                 E
And I don t need to know your stories
      A                 B                 E
Don t need to understand your pain
      A                 B                 E
Cause I ve been here since the beginning
      A                 B                 E
And I ll be here the rest of the way
      A                 B                 E
And I ll be here the rest of the way
```

Now you ve tried your hand at running
Why don t you try your hand at faith
Cause there s a moment to be taken
But it is right before you break

And what you don t know, it won t hurt you
And what you don t know will save you from some pain
But if I could choose I d let it hurt you
Cause there s something bout life in the pain
Yes, there s something bout life in the pain
Yes, there s something bout life in the pain
