

**Never Stop  
Safetysuit**

Capo 5.  
Standard Tuning.

[Verse 1]

**G**

This is my love song to you

**Cadd9**

Let every woman know Im yours

**G**

So you can fall asleep each night, babe

**Cadd9**

And know Im dreaming of you more

**G**

Youre always hoping that we make it

**Cadd9**

You always want to keep my gaze

**G**

Well youre the only one I see

**Cadd9**

And thats the one thing that wont change

[Chorus]

**G**

Ill never stop trying

**Cadd9**

Ill never stop watching as you leave

**D/F#**

Ill never stop losing my breath

**Cadd9**

Every time I see you looking back at me

**G**

Ill never stop holding your hand

**Cadd9**

Ill never stop opening your door

**D/F#**

Ill never stop choosing you babe

**Cadd9 G**

Ill never get used to you

[Verse 2]

**G**

And with this love song to you

**Cadd9**

Its not a momentary phase

**G**

You are my life, I dont deserve you

**Cadd9**

But you love me just the same

**G**

And as the mirror says were older

**Cadd9**

I will not look the other way

**G**

You are my life, my love, my only

**Cadd9**

And thats the one thing that wont change

[Chorus]

**G**

Ill never stop trying

**Cadd9**

Ill never stop watching as you leave

**D/F#**

Ill never stop losing my breath

**Cadd9**

Every time I see you looking back at me

**G**

Ill never stop holding your hand

**Cadd9**

Ill never stop opening your door

**D/F#**

Ill never stop choosing you babe

**Cadd9 G**

Ill never get used to you

[Bridge]

**G**

Still get my heart racing (you)

**Cadd9**

Still get my heart racing (for you)

**G**

Still get my heart racing (you)

**Cadd9**

Still get my heart racing (for you)

[Chorus]

**G**

Ill never stop trying

**Cadd9**

Ill never stop watching as you leave

**D/F#**

Ill never stop losing my breath

**Cadd9**

Every time I see you looking back at me

**G**

Ill never stop holding your hand

**Cadd9**

Ill never stop opening your door

**D/F#**

Ill never stop choosing you babe

**Cadd9 G**

Ill never get used to you

[Bridge] (x2)

**G**

Still get my heart racing (you)

**Cadd9**

Still get my heart racing (for you)

**G**

Still get my heart racing (you)

**Cadd9**

Still get my heart racing (for you)
