

One Time
Safetysuit

This song is extremely easy to play. Standard Tuning, no capo.

Intro:

C, G, Am, F x1

Verse:

C

I used to think I

G

deserved everything in this world there could be

Am

Then I met you and

F

you brought me down it was like a disease

C

I loved you so much that

G

I couldn't see what you're doing to me

Am

And now left alone with you

F

Should've known better cause

Chorus:

C

One time should've been enough for

G

me, fine I guess I couldn't see through

Am

your lies. You're making me believe

F

but then you go and do it again

C

This time I don't wanna hear the

G

one line. And I don't really care that

Am

you're fine. You're making me believe

F

but then go and do it again

Repeat Verse:

Repeat Chorus

Bridge:

Dm

Don t wanna come and ask for you

C,

to come and love me like you should

Am

You should ve seen this coming for a

G

long time for a long time

Dm

Don t wanna come and ask for you

C

to come and love me like you should

Am

You should ve seen this coming for a

G

long time for a long time...I should ve known better cause

Repeat Chorus
