Staring At It
Safetysuit

C
Tonight I am fighting for love again

My heart in your hand is
A7
my heart on the floor

And I know that
C
you think that
Em
we can still be just friends

But if I
E
can be honest,
C
for a moment
I know that were breaking
But if you can just take it
Were so, so close
Were staring at it
Were staring at it

Were staring
Am7
at

it
Please dont go
Weâ€™ll get it back

Just let it
G
pass
We can make it happen
C
I donâ€™t where your at, but when you see an exit,

Youâ€™ll be
Am
headed at
C
it
I won t go
Iâ€™m staring at it

I’m staring at
G
the only love I know

Search
F
for **A**
Em
war and you won’t find peace

But I think that you think that they’re one
G
in the same
Love can’t be open if past cannot be erased

So
C
if I cant be honest, for a moment
I know that were breaking

But if you can
Am7
just take it
Were so, so close
Were staring at it
Were staring at it

Were staring at
F
it
Please don’t go
We’ll get it back
B
Just let it pass

We
A
can make it happen

I dont where you’re at, but when you see an
C
exit,
You’ll be headed at it
I won t go
Im staring at it
Im staring at the only love I know

F
I cant
E
believe

this

Em
Oh no, you're actually leavin

I
C
think that somewhere Im bleeding

It's so close,
Em
so close, we are

We
C
are

Please dont
Em
go
We'll get it back
Just let it pass

We can make
C
it

happen

I dont where you're at, but when
Am
you see an exit,
C
You'll be headed at it
I won't go
I'm staring at it
I'm staring at the only love
Were so, so close
F
Were staring at it
Were staring at it
Were staring at it
Please don't go
We'll get it back

Just
C
let it pass

We can
Em
make it happen

I don't where you're at, but
C

when you see an exit,
You'll be headed at it
I won't go
I'm staring at it

I'm
Em
staring at the only love I know

A
The only love I know
The only love I know
Yeah
Yeah
I'm staring at it
C
I'm staring at
Staring at the only love I know

Some chords may seem.... off
(there are some numbers in between the chords ifk what whose are and why they re
there.)
