

**Stay
Safetysuit**

Chords might not be in the right place in the lyrics but they are in the right order and im 90% sure they are the right chords.

Intro

G - C

G Walking out the door this morning wondering what it is that s going on with you **C**
G Thinking of a way to say I m sorry for something I m not sure I do **C**

Am So come on baby let me in and show me what this really is cause **C**
G Something must have made you say that, what did I do to make you say that to me **C** **Am**
G Something must have made you so mad, what can I do to make you say come back to me **C** **Am**
G Hoping for a moment that I turn around and you ll be coming after me **C**
G Cause all that I can say is that it s obvious, it s obvious you re all I see **C**

Am So come on baby let me in and show me what this really is about **C** **Em** **Em**
Em Cause I cant read you

Am Come on baby let me in and show me what this really is cause **C**
G Something must have made you say that, what did I do to make you say that to me **C** **Am**
G Something must have made you so mad, what can I do to make you say come back to me **C** **Am**
me

solo

G - C

(No chords here, just background guitar, bass and drums.)
And I ll be here in the morning if you say stay, if you say stay to me
