Safetysuit - These times are hard (Capo 4th)

By: Darcy B

**G D EM C**

**G**

These times will try hard to define me

**D**

And I ll try to hold my head up high

**EM**

But I ve seen despair here from the inside

**C**

And it s got a one track mind

**G**

And I have this feeling in my gut now

**D**

And I don t know what it is I ll find

**EM**

Does anybody ever feel like,

**C**

You re always one step behind?

CHORUS:

**G**

Now I m sitting alone here in my bed

**D**

I m waiting for an answer I don t know that I ll get

**EM**

I cannot stand to look in the mirror

I m failing

**C**

I m telling you these times are hard

But they will

**G**

And I know there s someone out there somewhere

**D**

Who has it much worse than I do

**EM**

But I have a dream inside, a perfect life

**C**

I d give anything just to work

**D**

It s like I m only trynna dig my way out

**C**

Of all these thing I can t

And I am

CHORUS:

**G**

Now I m sitting alone here in my bed

**D**

I m waiting for an answer I don t know that I ll get

**EM**

I cannot stand to look in the mirror

I m failing

**C**

I m telling you these times are hard

**G**

**D**
