

Dont Let The Morning Come
Safura

Am Dm
Stay, forever you can stay
Em E Am C
Say you never felt this way
Dm7 Am
Now, all we have is now
Bm
And then it is the start
E
Tomorrow weâ€™re apart

Am Dm
Tonight, I shed my tears tonight
Em E Am C
Pride, with you I have no pride
Dm7 Am
Love, Iâ€™ll give you all my love
Bm
Iâ€™m yearning for your touch
E E6
So can you hear the beating of my heart?

C#m A Abm
Please donâ€™t let the morning come
A
I can see you turning into dust
C#m A Abm
Can you say youâ€™ll never leave?
Gm A
Iâ€™m afraid youâ€™re gonna disappear
C#m A Abm
Please donâ€™t let the morning come

Weâ€™ll be lovers in the dust
A
So hold me, unfold me
Abm F#m Ab
Lay here close to me and love me
A A6 A
Stay with me, just stay with me

Kiss, Iâ€™m longing for your kiss
Miss, those tender lips Iâ€™ll miss
Time, all we need is time
If passion is my crime
I need you to be mine

Tonight, I shed my tears tonight
Pride, with you I have no pride
Love, Iâ€™ll give you all my love
Iâ€™m yearning for your touch
So can you hear the beating of my heart?

Please donâ€™t let the morning come
I can see you turning into dust
Can you say youâ€™ll never leave?
Iâ€™m afraid youâ€™re gonna disappear
Please donâ€™t let the morning come
Weâ€™ll be lovers in the dust
So hold me, unfold me
Lay here close to me and love me
Stay with me
